Do you want to leave a lasting memory? Then get key rings printed with your name or logo! At IGO we can print the Hygiene key with your logo or other imprint. This keyring is a simple yet effective hygiene tool that allows the user to open doors and press buttons without direct hand contact. Constructed from reinforced materials for added durability. This product contains Biomaster antimicrobial technology, which provides protection against the growth of harmful microorganisms throughout the life of the product. Would you prefer to receive a sample first before we print the key rings? That's possible too. Simply indicate this in the menu. This way, you can judge the product first before placing your order.
