One-layer face mask with metal nose bridge. Washable at 60 degrees. Made of soft and comfortable 100% certified organic cotton. GOTS certification ensures a 100% certified supply chain. Use of this mask is exclusively reserved for non-sanitary purposes. This device is not a medical device in the sense of regulation EU/2017/745 (surgical masks) nor is it personal protective equipment in the sense of Regulation EU/2016/425 (such as filtering masks type FFP2 or FFP3). This product is not suitable for medical use and does not protect against infections. This product contains the international GOTS label for organic textiles. It certifies that production takes place in an environmentally and socially responsible manner. In addition, there are quality requirements for the products.
