Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. Have the Power bank 8000 mAh printed with your logo and message for a professional look. We are sure your customers and employees will love using it. This powerbank has a capacity of 8000 mAh. A power bank with such a high mAh charge is currently still not needed for one charge of an average mobile phone. However, the charged power bank can sometimes even supply two mobile devices with power. Some notebooks also get enough power this way. Capacity for smartphone use, output current DC5V/1A and DC5V/2A . Includes indicating light and USB cable with micro usb plug. This power bank is made of aluminium. Because it weighs just 0.221 grams, you can easily take it anywhere. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance.
