

Good conversations in the workplace are usually associated with a good cup of coffee or tea. Your company's logo should not be missing. So a mug with a logo is a very good choice. Are you looking for a mug that will draw attention? The Mug Oslo 300ml is definitely the right one for you. Mugs like those with a handle are the most popular. Thanks to the capacity of 300 ml, this mug is just the right one. Thanks to its height, this cup fits under almost all standard household coffee machines. The advantage of mugs is that they are always seen! No matter which mug you choose, we have over 75 years of experience and know exactly how to use which material.

Colour

This item is printed on the right of the handle, all around, left from handle, opposite of the ear.
