

Does your company have something to do with sportive or outdoor activities? Then a backpack might be just the right promotional gift. At IGO we can print backpacks with your logo and company name to ensure that the notebook backpack EUROPE generates extra publicity for your company. Effortless organization and comfort in one: large 2-way zip main compartment with padded notebook section, front zip pocket, and elaborately padded back with hidden zip compartment. Adjustable shoulder straps with rubber loops for added versatility. Because this bag is made of RPET 600d sprinkle, you are assured of a quality product. RPET is recycled PET, sometimes out of old bottles or any other PET material, therefore basically this material is taking waste out of our environment. Furthermore, this backpack weighs 595 grams, which means you'll have a good, sturdy bag on your back. With your logo on these backpacks, your logo will travel everywhere and be seen. It doesn't matter which of our backpacks you decide on in the end, we have over 75 years of experience and know exactly how to handle which material.
