

An ultra-thin Magnetic Wireless Powerbank of 5000 mAh. This is the ideal solution for wireless charging when you are on the go. Thanks to the strong magnets, it stays firmly attached to your phone or case with magnet function (iPhone 12 and later). The Powerbank is made of lightweight materials. With its rounded corners and metallic finish, it is an eye-catcher! Wireless output 5W/7.5W. Total output 5V/3A. Suitable for all phones and other products that support wireless and USB-C charging up to a maximum of 20W PD.
