Are you looking for a product that reminds your customers of your company every day? A pen is ideal to promote your name, website and telephone number. You use a good pen every day. With your logo printed on the Athos Antibacterial ballpoint pen, you ensure that your company gets maximum exposure every day. This ballpoint pen is antibacterial. The ABS case is processed with silver nano technology. This technology inhibits and prevents the growth of bacteria and other microorganisms. Manufactured according to the ISO 22196 standard: this concerns the measurement of antibacterial activity in plastics and other non-porous surfaces. The material of this pen is synthetic material. Due to the weight of 12.2 grams, you have a pen you can take everywhere with you without any problems. Send us your logo and you will receive a digital print proof. Satisfied? Then we'll get started right away.
