

Charge smarter and faster with the compact Acrab 10.000 mAh power bank, made from recycled plastic. Enjoy up to 15W magnetic wireless charging for compatible smartphones, including iPhone 12 and newer. For other wireless charging-enabled devices without magnetic function, a metal ring sticker is included for secure alignment. The power bank also supports 20W wired Type-C fast charging, and the ability to charge two devices at once (wireless and wired), making it perfect for staying powered up on the go. A LED indicator keeps you updated on the charging/battery status.
