

The C-secure MagSafe Wallet offers a sleek and practical solution for keeping your cards safe and always within reach. Equipped with RFID protection, it securely shields up to four bank cards from unauthorised scanning, while strong built-in magnets ensure a firm attachment to your iPhone — with or without a MagSafe-compatible case. Easily detach the wallet when you need to wirelessly charge your phone or switch up your look. Crafted from high-quality PU leather, it combines everyday convenience with modern security. Need to multitask? The wallet also functions as a stand, allowing you to effortlessly prop up your phone for hands-free viewing — perfect for video calls, work, or streaming.
