

With printed document bags, it's not just your sales force that cuts a fine figure and practically carries your logo out into the world. Print your logo on the laptop bag ELEGANCE and make the right impression on customers and employees! This document case is made of 600D of Polyester. Attractive, two-coloured laptop case; padded main compartment with 2-way zipper on the side for easy filling; front zipper pocket; flat pocket on the front and back; retractable carrying handles. Whether you are looking for cheap, sustainable or luxury document bags, IGO Promo has it all! Some even apply all three terms.
