Anti-stress items are not only used to relieve stress. Many people, especially older people, also use it to knead away pain in the joints. This means that these are no longer just a nice, welcome gift for employees, but others are also happy about such a kneading ball. Opt for the ColourBall stress ball printed with your company name. We make sure the print makes the best impression. This stress ball is sure to make a statement with your logo and is not just a traditional foam ball with it. The anti-stress item is made of synthetic material. Have you made your choice? Order your anti-stress items directly from IGO Promo. Send us your logo or design and we will send you a digital print proof within 24 hours. If you are satisfied with this and confirm it, we will start producing your branded stress balls immediately.
