

Are you looking for a promotional item that your customer or business contact will have in mind almost every day? Then a keychain with a logo, also known as a lanyard, is the right choice for you. Lanyard Safety RPET 2 cm - this name says it all! Practical and chic and with your logo the perfect advertising medium. This lanyard has a metal carabiner on one end. To prevent accidental strangulation when wearing the lanyard, it has a safety mechanism. The click closure opens by itself when a certain amount of pressure is applied to it. You can get our promotional items at low prices anyway, but always keep in mind: the more lanyards you order, the cheaper the unit price will be.
