A torch is an important item. Everyone should have a torch in the car, and those who walk or cycle a lot should carry one with them anyway. You can't go wrong with the SunJar Solar Garden Light. Sustainable product producing atmospheric lighting, ideal for both indoor and outdoor use. During the day, the Sun Jar collects sunlight through its solar cells and stores it in the rechargeable battery. As soon as it gets dark, the light switches on automatically. The light can also be switched on and off manually. Splash-proof (IP44). Operating time of 6 hours from full charge. Includes instruction manual. This flashlight draws its power from AAA. Of these, she needs exactly 1. The number of batteries used is included. Regardless of your budget, you are sure to find the right torches with us. Send us your logo and you will receive a digital proof before production starts. We only start production once you have confirmed this.
