Water bottle from the famous Tacx brand - the professional's choice in a progressive, powerful and light design, includes your print in one colour all around the bottle. Capacity 500 ml. The bottom of the bottle is tapered and rounded. The flowing lines foster aerodynamics, enhancing the lightweight effect. The press-on lid has a pull lid that can be locked and it has extra grip due to an asymmetrical ring. Made of recyclable plastic and 20% postindustrial recycled plastics. Easy to squeeze thanks to the softness of the plastic which is free of BPA and phthalates. Food approved and dishwasher safe.
