Dishwasher proof No

Minimum quantity: 100 Unit(s)

Material: plastic

Length: 19.00 cm.

Diameter: 7.40

Weight: 75.00 g.

Water bottle from the famous Tacx brand - the professional's choice with a powerful design, including your print in one colour. Capacity 500ml. The push-pull cap enables you to drink on the move and prevents leakage during transport. Print all around the bottle. Available in any PMS colour with a quantity of 5000 pieces plus. The bottle has a large fill opening and is easy to clean. Available as a Bio-bottle. Made of recyclable plastic and 20% postindustrial recycled plastics. Easy to squeeze thanks to the softness of the plastic which is free of BPA and phthalates. Food approved and dishwasher safe.
