Markers can be used to mark passages in texts, to mark important results in color in a presentation or for children to draw. Give away printed markers so that your company is always present at these events, whether fiber pens or highlighters. TrioMarker highlighter pen - with this marker you ensure that your company gets attention every day. With a printed highlighter you can mark everything that is important in everyday office life. But students or participants in a training course are also happy about a highlighter with a logo. This highlighter has the shape of a triangle. These markers are coming in the colours yellow, green and pink. The marker is made of synthetic material. As you can see, there are many different markers and highlighters to suit all needs and budgets. Always make an impression with your imprint on these highlighters.
