It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. By printing the Powerbank 2600 charger with your logo and message, you're sure to generate extra publicity for your company! This powerbank has a capacity of 2600 mAh. This powerbank has an illuminated battery level indicator. The input is 5V-500mA and the output is 5V-1000mA. The powerbank can be charged via USB with a USB cable. The powerbank comes with a USB/micro USB charging cable and multilingual instructions in a box. This power bank is made of aluminium. Weighing only 70 grams, you will hardly feel that you're carrying it around. Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. You can order quickly and easily by filling in all your preferences on our order page, send us your logo and you will receive a digital print proof.
