Towels is the collective term for all kinds of drying towels, such as kitchen towels, beach towels, guest towels or hammam towels. We have the right one for your company and your target group. The Solaine Deluxe Hand Towel 450 g/m² is popular because it can be printed with your logo. This towel is made of cotton. The grammage of the material is 450 g/m². This towel has the Oeko-Tex seal. There are various Oeko-Tex certificates, but they all confirm that all stages of textile processing have been checked for health and safety and that the production facilities have been checked for socially and environmentally compatible production conditions. An embroidery would give this cloth a special look. Please note, that, particularly filigree, small details can be lost. Have you made your choice? Order promotional items directly from us at IGO.
