Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the Powerbank 2000 more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This power bank has a capacity of 2000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank can be charged via USB with the included USB cable. The delivery takes place with instructions and per piece in a package. Because this power bank is made of aluminium it is hardly susceptible to impacts and can be carried in any pocket. Weighing only 86 grams, you will hardly feel that you're carrying it around. Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
