Weight: 100.00 g.

Does your brand stand for enjoying life, staying active and working on your health? Then a printed drinking bottle is a perfect match to get your brand or message out. With a AluMaxi 750 ml aluminium water bottle you can be sure that your message or your company's logo will travel with every recipient and therefore boost the visibility of your brand. The bottle has a plastic screw cap with a metal key ring and snap hook. The carabiner is not suitable as a climbing tool. Everyone who receives this bottle will be very happy that it is leakproof. This bottle is made of aluminium. The extremely solid construction of aluminium ensures that this bottle doesn't leak or crack easily if it's dropped. And just as important, your logo stays visible for years to come. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. Don't fancy getting up all the time to refill your bottle? Then opt for the larger 750 ml capacity that this bottle offers. Would you like to receive a sample of the bottle before placing your order? Simply request a sample to be sure that the bottle meets your expectations.
