A good workout, staying in shape and breaking away from the daily grind. These are excellent opportunities to draw attention to your brand with a printed drinking bottle. For example, choose the Contigo® Cortland Infuser 750 ml drinking bottle to shine light on your customers or employees. Drinking bottles are ideal for frequent use. This bottle features AUTOSEAL® technology -a unique sealing system-, a carabiner, a special infusion cup on the bottom. The drinking opening is securely sealed against dirt and bacteria. The Contigo guarantee is 2 years. Everyone who receives this bottle will be very happy that it is leakproof. This water bottle is from Contigo®, the specialists in drinking vessel quality, design and technology. The innovative Contigo water bottles are BPA-free. Are you looking for a bottle made of synthetic material? then choose this one. Thanks to the 750 ml capacity, you can also be sure that a full bottle will last a long time. Aren't sure about one or more bottles and would you like to see them in real life before placing your order? Then order a sample for that extra bit of certainty.
