Thermal articles are very popular. They offer the convenience of not having to drink your coffee or tea at home, but taking your drink with you on the road! The Contigo® Byron L thermos 590 ml cup is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal mug features a non-slip grip and SNAPSEAL® technology. The lid is dishwasher safe. This thermal article is from Contigo®, the specialist for quality, design and technology in drinking vessels. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! In addition, the product weighs 315 grams. Perfect for a good grip. Don't feel like constantly getting up to refill your glass? This product has a generous capacity of 590 ml. Do you want to be sure your mug or flask doesn't leak into your car or bag? Then we have the solution because this one is 100% leakproof! Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
