Flashlights with a logo are very popular as promotional gifts and are often used. The Mini Maglite® AAA torch is a great item that your customers, employees and suppliers will love. Converts to free standing candle mode, in just 3 simple steps. Light range 31 metres. 9 Lumen. Includes a spare light and removable pocket clip. Each piece in a case. The Mag Instruments are all designed and manufactured in the USA. The company strives for quality and efficiency in all items produced, including reducing any wasted time and materials. Thus, the MagLite flashlight is an effective item, from production to use, and your logo adorns a truly high-quality flashlight. This flashlight draws its power from AAA. Of these, she needs exactly 2. The number of batteries used is included. Laser engraving is the technique we recommend, especially for flashlights and other tools. This is abrasion-resistant and almost indestructible. Regardless of your budget, you are sure to find the right torches with us. Always make a good impression with your imprint on torches.
