There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. The Contigo® Thermal Bottle 1200 ml thermo bottle is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal bottle has a spout that can be rotated 360°. The material is completely odorless. This thermal article is from Contigo®, the specialist for quality, design and technology in drinking vessels. On top of that, the product has a weight of 789 grams. So you know you have a quality article in your hands with good insulation properties. With a content of 1200 ml you can keep going without getting thirsty. Are you looking for a thermos flask or mug that is leakproof? With the Contigo® Thermal Bottle 1200 ml thermo bottle you don't need to worry about spilling drinks in your car or your bag, or over the paperwork on your desk. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
